

Defendant WEATHERFORD INTERNATIONAL L.P. (hereinafter “Weatherford”) hereby files this motion to dismiss for failure to state a claim and would respectfully show to the Court the following:

1. The amended complaint admits that the Weatherford has a final judgment as to the amount and validity of its claim. See Amd. Compl. at paragraph 2.
2. Therefore, even if all of the factual allegations are true (they are not, but even if they were) the suit is barred by *res judicata*.
3. The doctrine of *res judicata* bars subsequent litigation in the presence of four elements: (i) the parties are identical or in privity, (ii) the judgment in the prior action was rendered by a court of competent jurisdiction, (iii) the prior action was concluded by a final judgment on the merits, and (iv) the same claim or cause of action was involved in both actions. *Petro Hunt LLC v. United States*, 365 F.3d 385, 395 (5th Cir. 2004).
4. All of the elements of *res judicata* are present.
5. When a complaint pleads allegations that support an affirmative defense (such as *res judicata*) then dismissal for failure to state claim is appropriate. *Aldrich v. McCulloch Props., Inc.*, 627 F.2d 1036, 1041 n.4 (10th Cir. 1980)(although a statute of limitations bar is an affirmative defense, it may be resolved on a Rule 12(b)(6) motion to dismiss "when the dates given in the complaint make clear that the right sued upon has been extinguished."); *Gray v. Evercore Restructuring L.L.C.*, 544 F.3d 320, 324 (1st Cir. Mass. 2008)(“Where a court grants a Rule 12(b)(6) or Rule 12(c)

motion based on an affirmative defense, the facts establishing that defense must: (1) be "definitively ascertainable from the complaint and other allowable sources of information," and (2) "suffice to establish the affirmative defense with certitude.")

Prayer

Weatherford prays that the Court dismiss the above-styled adversary proceeding for failure to state a claim for which relief can be granted.

Respectfully Submitted,
